Dear Mr. Hawkins:

I am very pleased to inform you that Mill's Tavern is one of 149 restaurants in the United States and Canada to achieve a Mobil Four-Star award this year. The 2008 Mobil Four-Star award signifies that Mill's Tavern is one of the finest establishments in North America, offering guests a truly exceptional level of luxury and service. Your new award status and review are currently available on our Web site at [www.mobiltravelguide.com](http://www.mobiltravelguide.com).

Mobil Travel Guide originated the Five-Star rating system and has been using its proprietary evaluation process to distinguish the best dining experiences for the past 50 years. Our process is based on a national, standardized scale that uses hundreds of criteria that are evaluated and updated annually.

As we embark on our 50<sup>th</sup> anniversary, we encourage you to spread the word about your well-deserved distinction and offer several ways to help you do so. Enclosed you will find detailed information about the Mobil Travel Guide Licensing program, a press release template, 50<sup>th</sup> anniversary commemorative pins and a five-star cocktail recipe, which will allow you to fully promote your establishment as a Mobil Star-rated restaurant.

Congratulations to you and your staff on your achievement and best wishes for the coming year.

Sincerely,
